PLAINTIFF'S MOTION FOR SUMMARY JUDGMENT

TO THE HONORABLE JUDGE OF SAID COURT:

NOW COMES Plaintiff NASA Federal Credit Union ("Plaintiff" or "NASA"), and files this Motion for Summary Judgment against Rodrick Levingston ("Defendant" or "Levingston") pursuant to Tex. R. Civ. P. 166a and in support of the same would respectfully show the Court the following:

I. SUMMARY OF ARGUMENT

1. The evidence in this case shows that there are no genuine issues of material fact and Plaintiff is entitled to judgment as a matter of law. Defendant defaulted on his contractual obligations to Plaintiff. As of March 4, 2024, after consideration of all just and lawful offsets, payments, and credits on Defendant's account, the amount owed by Defendant, excluding legal fees incurred by Plaintiff, is \$22,487.57. Due to that default by Defendant, Plaintiff is entitled to recover reasonable and necessary attorney's fees from Defendant in the amount of \$6,029.50.

II. BASIS FOR MOTION

- 3. Plaintiff's motion is based on the pleadings of the parties herein and the following summary-judgment evidence:
 - (1) Affidavit of Klaus R. Johnson, attached and incorporated herein as Exhibit "A;"

- (a) A true and correct copy of the Application, along with all exhibits and attachments, attached and incorporated herein as Exhibit "A-1;"
- (b) A true and correct copy of the Terms Sheet attached and incorporated herein as Exhibit "A-2;"
- (c) A true and correct copy of the Loan Summary attached and incorporated herein as Exhibit "A-3;"
- (d) A true and correct copy of the bank statements sent by Plaintiff to Defendant for November of 2022 through February of 2023 and September of 2023 through December of 2023 attached and incorporated herein as Exhibit "A-4;"
- (e) A true and correct copy of the Notice of Acceleration sent by Plaintiff to Defendant on August 30, 2024, attached and incorporated herein as Exhibit "A-5;"
- (f) A true and correct copy of the Demand Letter sent by Plaintiff to Defendant on January 21, 2024, attached and incorporated herein as Exhibit "A-6;"
- (g) A true and correct copy of the Payoff attached and incorporated herein as Exhibit "A-7;"
- (2) The Affidavit of Jessica N. Alt, attached and incorporated herein as Exhibit "B;" and
 - (a) A true and correct copy of the billing entries for this matter, attached hereto and incorporated by reference as Exhibit "B-1."

III. FACTS

4. On or about December 7, 2015, Defendant applied for and received funds for a revolving line of credit, whereby NASA gave Defendant a credit card with a maximum credit limit of \$20,000.00.¹ Pursuant to the credit terms (the "Credit Terms"), which Plaintiff sent to Defendant, Defendant accepted the Credit Terms by using the credit card.² Defendant accepted the Credit Terms through his use of the credit card.³

³ See Exhibit A; A-2; A-4.

¹ See Exhibit A; A-1; A-2; A-3.

² See Exhibit A; A-2.

- 5. Defendant failed to pay the monthly payments due under the terms of the Credit Terms. ANSA has accelerated the maturity of the Credit Terms in accordance with the terms of Credit Terms and has declared the entire unpaid balance due and owing. NASA has made numerous demands upon Defendant for the past due payments under the Credit Terms, but Defendant has failed and refused to pay said past due payments or any part thereof.
- 6. After the allowance of all just and lawful offsets, payments and credits to Defendant's account, as of March 4, 2024, the balance thereon of \$22,487.57 is due, unpaid and owing.⁷
- 7. All conditions precedent to Plaintiff's right to recover judgment and attorney fees from Defendant have been performed or have occurred and all notices required have been given or have been waived.

IV. BURDEN OF PROOF

8. Pursuant to Tex. R. Civ. P. 166a(c), summary judgment is proper where a movant establishes that there is no genuine issue of material fact and that he is entitled to judgment as a matter of law. The purpose of the summary judgment rule is not to provide a trial by affidavit, but to provide a method of summarily terminating a case when it clearly appears that only a question of law is involved and that no genuine issue of fact remains. 9

V. MOTION FOR SUMMARY JUDGMENT

i. Breach of Contract

9. Defendant defaulted on his contractual obligations to Plaintiff. After the consideration of all just and lawful offsets, payments and credits on Defendant's account, the

deficiency amount owed to Plaintiff, excluding legal fees, is \$22,487.57. 10 Plaintiff is entitled to judgment as a matter of law based on the pleadings of the parties on file herein.

10. In order to prevail on a claim for breach of contract, a plaintiff must prove that: 1) there is a valid enforceable contract(s); 2) the plaintiff is a proper party to sue for the contract(s); 3) the plaintiff performed, tendered performance of, or was excused from performing its contractual obligations; 4) the defendant breached the contract(s); and 5) the defendant's breach caused the plaintiff injury.¹¹ The attached summary judgment evidence and pleadings herein conclusively establish that Plaintiff has met all the elements of breach of contract as a matter of law.

of Defendant's application for a credit card, Plaintiff providing Defendant with a credit card and Credit Terms, and Defendant's use of the credit card.¹² 2) Plaintiff is a party to the Application and Credit Terms.¹³ 3) Plaintiff provided funds to Defendant under the Credit Terms, and Defendant then and there accepted said funds¹⁴ 4) Defendant subsequently failed to pay the payments due under the terms of the Credit Terms and has failed and continued to refuse to pay said past due payments or any part thereof.¹⁵ 5) Plaintiff has been injured by Defendant's breach in the amount of \$22,487.57.¹⁶ Thus, Plaintiff is entitled to summary judgment as a matter of law for Defendant's breach of the Credit Terms.

ii. Attorney Fees

12. Upon Defendant's failure to pay the balance owing on the Credit Terms, Plaintiff placed said Credit Terms in the hands of the undersigned attorneys for enforcement and has agreed to pay said attorney's reasonable fees for their services in the amount of \$6,029.50 for which Defendant has become liable by the terms of the Credit Terms and by virtue of Tex. Civ. Prac. & Rem. Code 38.001 *et seq*.

VI. CONCLUSION

After consideration of all just and lawful offsets, payments, and credits to Defendant's account, the amount owed by Defendant, excluding legal fees, is \$22,487.57. Due to Defendant's failure to pay the amounts due and owing, Plaintiff is entitled to recover reasonable and necessary attorney's fees from defendant in the amount of \$6,029.50. There are no genuine issues of material fact and Plaintiff should be granted judgment as a matter of law.

VII. PRAYER

NASA is entitled to judgment as a matter of law against Defendant as follows:

- 1. Judgment of \$22,487.57 on Defendant's account with Plaintiff; 17
- 2. Reasonable and necessary attorney's fees in the amount of \$6,029.50;¹⁸
- 3. Pre-judgment interest at the statutory rate of 6.00% per annum from the date of suit, March 4, 2024, through entry of judgment;¹⁹
 - 4. Costs of court; and
 - 5. Post judgment interest at the rate of 7.75% per annum.

WHEREFORE, Plaintiff prays the Court set Plaintiff's Motion for Hearing and that after

¹⁷ *See* Exhibit A; A-1; A-2.

¹⁹ See Exhibit A: A-1.

considering the motion and the summary-judgment evidence NASA's Motion will be granted and that an order be entered granting NASA's Motion and that final judgment be entered on the parties on file herein. NASA further prays that the Court grant it any further such relief as it may show itself justly entitled.

Consensual Security Interest

You grant us a security interest in all individual and joint share and/or deposit accounts you have with us now and in the future to secure your credit card account. Shares and deposits in an IRA or any other account that would lose special tax treatment under state or federal law if given as security are not subject to the security interest you have given in your shares and deposits. You may withdraw these other shares unless you are in default. When you are in default, you authorize us to apply the balance in these accounts to any amounts due. For example, if you have an unpaid credit card balance, you agree we may use funds in your account(s) to pay any or all of the unpaid balance.

You agree that you are aware that granting a security interest is a condition for the credit card and you intend to grant a security interest. You acknowledge and agree that your pledge does not apply during any periods when you are a covered borrower under the Military Lending Act. For clarity, you will not be deemed a covered borrower, and your pledge will apply, if: (i) you become obligated on a credit transaction or establish an account for credit when you are not a covered borrower; or (ii) you cease to be a covered borrower.

Military Lending Act — Federal law provides important protections to members of the Armed Forces and their dependents relating to extensions of consumer credit. In general, the cost of consumer credit to a member of the Armed Forces and his or her dependent may not exceed an annual percentage rate of 36 percent. This rate must include, as applicable to the credit transaction or account: The costs associated with credit insurance premiums; fees for ancillary products sold in connection with the credit transaction; any application fee charged (other than certain application fees for specified credit transactions or accounts); and any participation fee charged (other than certain participation fees for a credit card account).

Information Changes; Consent for Calls/Texts — By providing us with your mobile telephone number in connection with any accounts, products, or services, you consent to us (or others on our behalf) contacting you at that number. Your consent permits us to use automatic dialing technology, artificial/pre-recorded voice messages, and/or text messaging to deliver informational messages to you concerning any of your accounts, products, or services. You understand and agree that you are not required to provide this consent in order to obtain any accounts, products, or services and that you may revoke this consent at any time by calling us at 1-888-NASA-FCU (627-2328), visiting our website at www.nasafcu.com, or through any other reasonable method that gives us a reasonable opportunity to update our records.

Effect of Agreement — This Agreement is the contract which applies to all transactions on your account even though the sales, cash advance, credit or other slips you sign or receive may contain different terms. We may amend this Agreement from time to time by sending you the advance written notice required by law. Your use of the card thereafter will indicate your agreement to the Amendments. To the extent the law permits, and we indicate in our notice, Amendments will apply to your existing account balance as well as to future transactions.

Credit Review and Release of Information — You authorize the Credit Union to investigate your credit standing when opening or reviewing your account. You authorize the Credit Union to disclose information regarding your account to credit bureaus and creditors who inquire about your credit standing. If your account is eligible for emergency cash and/or emergency card replacement services, and you request such services, you agree that we may provide personal information about you and your account that is necessary to provide you with the requested service(s).

Special Promotions — From time to time, we may offer special promotions, under which purchases of goods or services, balance transfers or cash advances transactions may be billed to your account with special promotional terms. The finance charges, minimum payment, application on payments and other terms for special promotions may differ from the standard terms described in this Agreement and as may be shown on your account statement.

will generally have no liability for the unauthorized use of any credit card after its loss or theft. If there is an exception to the VISA "zero liability" operating rule, such as if you are grossly negligent in handling your credit card, your maximum liability is \$50. You will not be liable for unauthorized use that occurs after you notify us orally or in writing, of the loss, theft, or possible unauthorized use. Do not use your account after you notify us, even if your credit card is found or returned. You also agree to assist us in determining the facts, circumstances and other pertinent information relating to any loss, theft or possible unauthorized use of your card and comply with such procedures as we may require in connection with our investigation, including assisting in the prosecution of any unauthorized user.

Credit Limit — When we approve your application, we will establish a self-replenishing line of credit for you and notify you of its amount when we issue the card. Your credit limit line appears on your billing statements. You agree not to let the account balance exceed this approved credit limit. Each payment you make on the account will restore your credit limit by the amount of the payment which is applied to principal. You may request an increase in your credit limit only by application to us, which must be approved by our loan committee or loan officer. Without prior notice to you, we may raise your credit limit. The Credit Union may increase or decrease your credit limit, refuse to make an advance and/or terminate your account at any time for any reason not prohibited by law. If we detect unusual or suspicious activity, we may suspend or close your credit privileges. On the card anniversary date or at re-issue, your membership must be in good standing. If any obligation to which you are a party with the Credit Union is in default, a new card may not be sent to you. This constitutes a termination of your credit line. You may also terminate this agreement at any time, but termination by either of us does not affect your obligation to pay the account balance plus any finance and other charges you owe under this agreement. The cards remain our property and you must recover and surrender to us all cards upon request and upon termination of this agreement. Convenience checks are no longer valid if the account has been suspended or terminated. We may limit the number and/or the amount of transactions approved in one day.

Fraud — If your card account shows any sign of fraudulent, abusive or suspicious activity, we may close or suspend your card account immediately without giving you prior notice. Fraudulent card use will not earn applicable rewards and we may also terminate and cancel your right to continued reward program participation and/or accrued eligible rewards.

Monthly Payment — We will mail you a statement every month showing your previous balances of purchases and cash advances, the current transactions on your account, the remaining credit available under your credit limit, the new balances of purchases and cash advances, the total new balance, the finance charge due to date, photocopy and other billed fees, and the minimum payment required. Every month you must pay at least the minimum payment within 25 days of your statement closing date. The minimum monthly payment is 2% of your total new balance, or \$25, whichever is greater. By separate agreement you may authorize us to charge the minimum payment automatically to your share or share draft account with us. You may, of course, pay more frequently, pay more than the minimum payment, or pay the total new balance in full, and you will reduce the finance charge by doing so. At any time your total new balance exceeds your credit limit, you must immediately pay the excess upon our demand. Subject to applicable law, payments made to your account will be applied in the following order: Fees and Finance Charges; Previously Billed Purchases; Cash Advances; New Purchases; provided that, in every case, in the event that you make a payment in excess of the required minimum periodic payment, we will allocate the excess amount first to the balance with the highest annual percentage rate and any remaining portion to the other balances in descending order based on applicable annual percentage rate. We may accept checks marked "payment in full" or with words of similar effect without losing any of our rights to collect the full balance of your account with us.

Periodic Rates — The periodic rates applicable to purchases, cash advances, and balance transfers are disclosed on the Disclosure that accompanies this agreement. Any penalty rate that may be imposed for failing to make a payment by the payment due date is also disclosed on the Disclosure. Any rate change will be made pursuant to applicable law. If the rate for

your account is variable, as indicated on the accompanying Disclosure, the rate charged on purchases, cash advances, balance transfers and any penalty rate will vary periodically as disclosed in the Disclosure accompanying this Agreement (unless indicated otherwise). The initial rate on your account for certain types of transactions may be an introductory discounted rate (Introductory Rate) that is lower than the rate that would ordinarily apply for that type of transaction. If an Introductory Rate applies to your account, the rates and the period of time it will be effective is shown on the Disclosure accompanying this Agreement. After the Introductory Rate period expires, the periodic rate will automatically increase to the rates that would ordinarily apply for that type of transaction based on the terms of this agreement.

Finance Charge — New purchases posted to your account during a billing cycle will not incur a finance charge for that billing cycle if you had a zero or credit balance at the beginning of that billing cycle, or you paid the entire new balance on the previous cycle's billing statement by the payment due date of that statement; otherwise a finance charge will accrue from the date a purchase is posted to your account. To avoid an additional finance charge on the balance of purchases, you must pay the entire new balance on the billing statement by the payment due date of that statement. A finance charge begins to accrue on cash advances from the date you get the cash advance or from the first day of the billing cycle in which the cash advance is posted to your account, whichever is later (transaction date).

The finance charge is calculated separately for purchases and cash advances. For purchases, the finance charge is computed by applying the periodic rate to the average daily balance of purchases. To calculate the average daily balance of purchases, we take the beginning outstanding balance of purchases each day, add any new purchases, and subtract any payments and/or credits. This gives us the daily balance of purchases. We then add all of the daily balances of purchases for the billing cycle together and divide the total by the number of days in the billing cycle. This gives us the average daily balance of purchases. Balance transfers are calculated in the same manner as purchases.

For cash advances, the finance charge is computed by applying the periodic rate to the average daily balance of cash advances. To calculate the average daily balance of cash advances, we take the beginning outstanding balance of cash advances each day, add in any new cash advances, and subtract any payments and/or credits that we apply to the cash advance balance. This gives us the daily balance of cash advances. We then add all of the daily balances of cash advances for the billing cycle together and divide the total by the number of days in the billing cycle. This gives us the average daily balance of cash advances.

Balance Transfer Transactions — We may in our sole discretion make balance transfer offers to you or allow balance transfer transactions on your account in the future. We may in our sole discretion permit you to transfer balances from other accounts or loans with other credit card issuers or other lenders to this account, or other balance transfers we may allow. If a portion of a requested balance transfer will exceed your available credit access line for balance transfers, we may process a partial balance transfer up to your available credit access line for balance transfers. No balance transfers will be processed for less than \$100 and we may in our sole discretion, limit any allowed balance transfers so that they do not exceed the lesser \$7,500 or 75% of your credit limit.

Fees — In addition to the periodic rate, the following additional fees may be imposed on your account. If applicable to your account, the fee amounts and explanations are disclosed on the Disclosure accompanying this agreement. Your account may also be subject to additional fees as set forth on the Disclosure accompanying this agreement. Applicable fees will be charged to your account.

- Annual Fee If your account is subject to an annual fee (as provided in the separate
 Disclosure accompanying this agreement), the fee will be charged to your account. The
 fee may be charged each year until your account is closed and paid in full.
- Cash Advance Fee For each cash advance, we add an additional CHARGE of 3% of the advanced amount but not less than \$5.00. This fee will be added to the cash

advance balance. (The amount of the cash advance may include a surcharge that the owner of an ATM imposes). The cash transaction fee may cause the annual percentage rate on the billing statement on which the cash advance first appears to exceed the nominal annual percentage rate.

- Late Payment Fee If you fail to make any payment when it is due, you will pay a
 late payment fee as specified in the Disclosure.
- Returned Payment Fee. If any payment that you make is returned unpaid, you will
 pay a returned payment fee as specified in the Disclosure.
- Stop Payment for Balance Transfer/Convenience Check. If you ask us to stop payment on any balance transfer or convenience check, you will pay a stop payment fee as specified in the Disclosure.

Default — You will be in default if you fail to make any minimum payment by the due date and may be charged a late fee as provided in the Disclosure. You will also be in default if your ability to repay us is materially reduced by a change in your employment, an increase in your obligations, bankruptcy or insolvency proceedings involving you, your death or if the value of our security interest materially declines. You will be in default if you fail to abide by this agreement or you make any false or misleading statements in any credit application or update of credit information. If you are in default, we have the right to suspend or terminate your credit line (See Credit Limit). We have the right to demand immediate payment of your full account balance if you default, subject to our giving you any notice required by law. To the extent permitted by law you will also be required to pay our collection expenses, including court costs and reasonable attorneys' fees plus any fees incurred as a result of bankruptcy.

Penalty APR — A penalty APR as described in the Disclosure will be imposed for all balances if you are sixty (60) or more days late in making a payment. Your non-penalty rate may be re-established if you make subsequent on-time payments for six (6) consecutive months.

Variable Rates — One or more APRs that apply to your account may vary with changes to the Prime Rate. When you have an APR that varies with changes to the Prime Rate, we calculate the APR by adding a margin to the Prime Rate published in The Wall Street Journal. The "Prime Rate" is the highest (U.S.) Prime Rate published in the Money Rates section of The Wall Street Journal. The Prime Rate is merely a pricing index. It is not the lowest or the best interest rate available to a borrower at any particular bank at any given time. If The Wall Street Journal stops publishing the Prime Rate, we will select a similar reference rate and inform you on your billing statement or through a separate notice. A "margin" is the percentage we add to the Prime Rate to calculate the APR. A "business day" is any day that is not a weekend or federal holiday. The Rates and Fees Table shows which rates, if any, are variable rates. It also lists the margin for each variable rate and any minimum daily periodic rate and corresponding APR. We then add the applicable margin to that Prime Rate to get the APR. The daily periodic rate is calculated as described above. If our calculation results in a change to a daily periodic rate from the previous billing cycle because the Prime Rate has changed, the new rate will apply as of the first day of your billing cycle that ends in the calendar month in which we made the calculation. If the daily periodic rate increases, you will have to pay a higher periodic finance charge and may have to pay a higher minimum payment.

Using the Card — To make a purchase or cash advance, there are two alternative procedures to be followed. One is for you to present the card to a participating VISA plan merchant, to us or to another financial institution, and sign the sales or cash advance draft which will be imprinted with your card. The other is to complete the transaction by using your Personal Identification Number (PIN) in conjunction with the card in an Automated Teller Machine or other type of electronic terminal that provides access to the VISA system. The monthly statement will identify the merchant, electronic terminal or financial institution at which transactions were made, but sales, cash advance, credit or other slips cannot be returned with the statement. You will retain the copy of such slips furnished at

the time of the transaction in order to verify the monthly statement. The Credit Union may make a reasonable charge for photocopies of slips you may request. If you wish to pay for goods or services over the Internet, you may be required to provide card number security information before you will be permitted to complete the transaction. If you are permitted to obtain cash advances on your account, we may, from time to time, issue convenience checks to you that may be drawn on your account. Convenience checks may not be used to make a payment on your account balance. If you use a convenience check, it will be posted to your account as a cash advance. We reserve the right to refuse to pay a convenience check drawn on your account for any reason and such refusal shall not constitute wronaful dishonor.

You may request that we stop the payment of a convenience check drawn on your account. You agree to pay any fee imposed to stop a payment on a convenience check issued on your account (see Fees above). You may make a stop payment request orally, if permitted, or in writing. Your request must be made with sufficient time in advance of the presentment of the check for payment to give us a reasonable opportunity to act on your request. In addition, your request must accurately describe the check including the exact account number, the payee, any check number that may be applicable, and the exact amount of the check. If permitted, you may make a stop payment request orally but such a request will expire after 14 days unless you confirm your request in writing within that time. Written stop payment orders are effective only for six (6) months and may be renewed for additional six month periods by requesting in writing that the stop payment order be renewed. We are not required to notify you when a stop payment order expires. If we re-credit your account after paying a check or draft over a valid and timely stop payment order, you agree to sign a statement describing the dispute with the payee, to assign to us all of your rights against the payee or other holders of the check or draft and to assist us in any legal action. You agree to indemnify and hold us harmless from all costs and expenses, including attorney's fees, damages, or claims, related to our honoring your stop payment request or in failing to stop payment of an item as a result of incorrect information provided to us or the giving of inadequate time to act upon a stop payment request.

Illegal Transactions Prohibited — You agree that you will not use your card for any transaction that is illegal under applicable federal, state, or local law.**Returns and Adjustments** — Merchants and others who honor the card may give credit for returns or adjustments, and they will do so by sending us a credit slip which we will post to your account. If your credits and payments exceed what you owe us, we will hold and apply this credit balance against future purchases and cash advances, or if it is \$1.00 or more, refund it on your written request or automatically within six months.

Foreign Transactions — Purchases and cash advances made in foreign currencies will be debited from your account in U.S. dollars. The exchange rate between the transaction currency and the billing currency used for processing international transactions is a rate selected by Visa from a range of rates available in wholesale currency markets for the applicable central processing date. This may vary from the rate Visa itself receives or the government-mandated rate in effect for the applicable central processing date in each instance. The exchange rate used on the processing date may differ from the rate that would have been used on the purchase date or cardholder statement posting date. A foreign transaction is any transaction that you complete or a merchant completes on your card outside of the U.S., with exceptions of U.S. military bases, U.S. territories, U.S. embassies and U.S. consulates.

Plan Merchant Disputes — We are not responsible for the refusal of any plan merchant or financial institution to honor your card. We are subject to claims and defenses (other than tort claims) arising out of goods or services you purchase with the card only if you have made a good faith attempt, but have been unable to obtain satisfaction from the plan merchant, and (a) your purchase was made in response to an advertisement we sent or participated in sending you; or (b) your purchase cost more

Interest Charge Calculation Methods (ICM) and Computation of Balance Subject to Interest Rate. The Interest Charge Calculation Method applicable to your account for Cash Advances and Credit Purchases of goods and services that you obtain through the use of your card is specified on the front side of this statement and explained below:

Method A - Average Daily Balance (including new transactions). The Interest Charge on purchases begins from the date the transaction is posted to your account, and the Interest Charge on cash advances begins from the date you obtained the cash advance, or the first day of the billing cycle in which it is posted to your account, whichever is later. There is no grace period.

The Interest Charges for a billing cycle are computed by applying the Periodic Rate to the "average daily balance" of your account. To get the average daily balance, we take the beginning balance of your account each day, add any new purchases or cash advances, and subtract any payments, credits, non-accruing fees and unpaid interest charges. This gives us the daily balance. Then we add up all the daily balances for the billing cycle and divide the total by the number of days in the billing cycle.

Method G - Average Daily Balance (including new transactions). To avoid incurring additional Interest Charges on the balance of purchases (and cash advances, if Method G is specified as applicable to cash advances) reflected on your monthly statement and, on any new purchases (and if applicable, cash advances) appearing on your next monthly statement, you must pay the entire "New Balance" in full, shown on your monthly statement, on or before the Payment Due Date.

The Interest Charges for a billing cycle are computed by applying the Periodic Rate to the "average daily balance" of purchases (and if applicable, cash advances). To get the average daily balance, we take the beginning balance of your account each day, add any new purchases or cash advances, and subtract any payments, credits, non-accruing fees, and unpaid interest charges. This gives us the daily balance. Then we add up all the daily balances for the billing cycle and divide the total by the number of days in the billing cycle. This gives us the average daily balance.

Payment Crediting and Credit Balance. Payments received by 5PM at the location specified on the front of the statement after the phrase "Please Mail Your Payment To." will be credited as of the date of receipt to the account specified on the payment coupon. Payments made in person during normal business hours at branch locations where such payments are accepted will be treated as received on the same day. Payments that do not conform to the requirements set forth on or with the periodic statement (e.g. missing payment stub, payment envelope other than as provided with your statement, multiple checks or multiple coupons in the same envelope) may be subject to delay in crediting, but shall be credited within five days of receipt. If there is a credit balance due on your account, you may request, in writing, a full refund. Submit your request to the address indicated on the front of this statement after the phrase "Please send Billing Inquiries and Correspondence to".

By sending your check, you are authorizing the use of the information on your check to make a one-time electronic debit from the account on which the check is drawn. This electronic debit, which may be posted to your account as early as the date your check is received, will be only for the amount of your check. The original check will be destroyed and we will retain the image in our records. If you have questions please call the customer service number on the front of this billing statement.

Closing Date. The closing date is the last day of the billing cycle; all transactions received after the closing date will appear on your next statement.

Annual Fee. If your account has been assessed an annual fee, you may avoid paying this annual fee by sending written notification of termination within 30 days following the mailing date of this bill, to the address listed on the front of this statement after the phrase "Please send Billing Inquiries and Correspondence to:" You may use your card(s) during this 30 day period but immediately thereafter must send your card(s), which you have cut in half to this same address.

Negative Credit Reports. You are hereby notified that a negative credit report reflecting on your credit record may be submitted to a credit reporting agency if you fail to fulfill the terms of your credit obligations.

- Account Information:
 Your name and account number.

Your Rights If You Are Dissatisfied With Your Credit Card Purchases

If you are dissatisfied with the goods or services that you have purchased with your credit card, and you have tried in good faith to correct the problem with the merchant, you may have the right not to pay the remaining amount due on the purchase. To use this right, all of the following must be true:

- The purchase must have been made in your home state or within 100 miles of your current mailing address, and the purchase price must have been more than \$50.
 (Note: Neither of these are necessary if your purchase was based on an advertisement we mailed to you, or if we own the company that sold you the goods or services.)
- 2. You must have used your credit card for the purchase. Purchases made with cash advances from an ATM or with a check that accesses your credit card account do not qualify.
- You must not yet have fully paid for the purchase.

If all of the criteria above are met and you are still dissatisfied with the purchase, contact us in writing (or electronically) at the address shown on the front of this billing statement following the phrase "Please send Billing Inquiries...to":

Interest Charge Calculation Methods (ICM) and Computation of Balance Subject to Interest Rate. The Interest Charge Calculation Method applicable to your account for Cash Advances and Credit Purchases of goods and services that you obtain through the use of your card is specified on the front side of this statement and explained below:

Method A - Average Daily Balance (including new transactions). The Interest Charge on purchases begins from the date the transaction is posted to your account, and the Interest Charge on cash advances begins from the date you obtained the cash advance, or the first day of the billing cycle in which it is posted to your account, whichever is later. There is no grace period.

The Interest Charges for a billing cycle are computed by applying the Periodic Rate to the "average daily balance" of your account. To get the average daily balance, we take the beginning balance of your account each day, add any new purchases or cash advances, and subtract any payments, credits, non-accruing fees and unpaid interest charges. This gives us the daily balance. Then we add up all the daily balances for the billing cycle and divide the total by the number of days in the billing cycle.

Method G - Average Daily Balance (including new transactions). To avoid incurring additional Interest Charges on the balance of purchases (and cash advances, if Method G is specified as applicable to cash advances) reflected on your monthly statement and, on any new purchases (and if applicable, cash advances) appearing on your next monthly statement, you must pay the entire "New Balance" in full, shown on your monthly statement, on or before the Payment Due Date.

Payment Crediting and Credit Balance. Payments received by 5PM at the location specified on the front of the statement after the phrase "Please Mail Your Payment To." will be credited as of the date of receipt to the account specified on the payment coupon. Payments made in person during normal business hours at branch locations where such payments are accepted will be treated as received on the same day. Payments that do not conform to the requirements set forth on or with the periodic statement (e.g. missing payment stub, payment envelope other than as provided with your statement, multiple checks or multiple coupons in the same envelope) may be subject to delay in crediting, but shall be credited within five days of receipt. If there is a credit balance due on your account, you may request, in writing, a full refund. Submit your request to the address indicated on the front of this statement after the phrase "Please send Billing Inquiries and Correspondence to".

By sending your check, you are authorizing the use of the information on your check to make a one-time electronic debit from the account on which the check is drawn. This electronic debit, which may be posted to your account as early as the date your check is received, will be only for the amount of your check. The original check will be destroyed and we will retain the image in our records. If you have questions please call the customer service number on the front of this billing statement.

Closing Date. The closing date is the last day of the billing cycle; all transactions received after the closing date will appear on your next statement.

Annual Fee. If your account has been assessed an annual fee, you may avoid paying this annual fee by sending written notification of termination within 30 days following the mailing date of this bill, to the address listed on the front of this statement after the phrase "Please send Billing Inquiries and Correspondence to:" You may use your card(s) during this 30 day period but immediately thereafter must send your card(s), which you have cut in half to this same address.

Negative Credit Reports. You are hereby notified that a negative credit report reflecting on your credit record may be submitted to a credit reporting agency if you fail to fulfill the terms of your credit obligations.

Interest Charge Calculation Methods (ICM) and Computation of Balance Subject to Interest Rate. The Interest Charge Calculation Method applicable to your account for Cash Advances and Credit Purchases of goods and services that you obtain through the use of your card is specified on the front side of this statement and explained below:

Method A - Average Daily Balance (including new transactions). The Interest Charge on purchases begins from the date the transaction is posted to your account, and the Interest Charge on cash advances begins from the date you obtained the cash advance, or the first day of the billing cycle in which it is posted to your account, whichever is later. There is no grace period.

The Interest Charges for a billing cycle are computed by applying the Periodic Rate to the "average daily balance" of your account. To get the average daily balance, we take the beginning balance of your account each day, add any new purchases or cash advances, and subtract any payments, credits, non-accruing fees and unpaid interest charges. This gives us the daily balance. Then we add up all the daily balances for the billing cycle and divide the total by the number of days in the billing cycle.

Method G - Average Daily Balance (including new transactions). To avoid incurring additional Interest Charges on the balance of purchases (and cash advances, if Method G is specified as applicable to cash advances) reflected on your monthly statement and, on any new purchases (and if applicable, cash advances) appearing on your next monthly statement, you must pay the entire "New Balance" in full, shown on your monthly statement, on or before the Payment Due Date.

The Interest Charges for a billing cycle are computed by applying the Periodic Rate to the "average daily balance" of purchases (and if applicable, cash advances). To get the average daily balance, we take the beginning balance of your account each day, add any new purchases or cash advances, and subtract any payments, credits, non-accruing fees, and unpaid interest charges. This gives us the daily balance. Then we add up all the daily balances for the billing cycle and divide the total by the number of days in the billing cycle. This gives us the average daily balance.

Payment Crediting and Credit Balance. Payments received by 5PM at the location specified on the front of the statement after the phrase "Please Mail Your Payment To." will be credited as of the date of receipt to the account specified on the payment coupon. Payments made in person during normal business hours at branch locations where such payments are accepted will be treated as received on the same day. Payments that do not conform to the requirements set forth on or with the periodic statement (e.g. missing payment stub, payment envelope other than as provided with your statement, multiple checks or multiple coupons in the same envelope) may be subject to delay in crediting, but shall be credited within five days of receipt. If there is a credit balance due on your account, you may request, in writing, a full refund. Submit your request to the address indicated on the front of this statement after the phrase "Please send Billing Inquiries and Correspondence to".

By sending your check, you are authorizing the use of the information on your check to make a one-time electronic debit from the account on which the check is drawn. This electronic debit, which may be posted to your account as early as the date your check is received, will be only for the amount of your check. The original check will be destroyed and we will retain the image in our records. If you have questions please call the customer service number on the front of this billing statement.

Closing Date. The closing date is the last day of the billing cycle; all transactions received after the closing date will appear on your next statement.

Annual Fee. If your account has been assessed an annual fee, you may avoid paying this annual fee by sending written notification of termination within 30 days following the mailing date of this bill, to the address listed on the front of this statement after the phrase "Please send Billing Inquiries and Correspondence to:" You may use your card(s) during this 30 day period but immediately thereafter must send your card(s), which you have cut in half to this same address.

Negative Credit Reports. You are hereby notified that a negative credit report reflecting on your credit record may be submitted to a credit reporting agency if you fail to fulfill the terms of your credit obligations.

BILLING RIGHTS SUMMARY

What To Do If You Think You Find A Mistake On Your Statement

If you think there is an error on your statement, write to us at the address shown on the front of this billing statement after the phrase "Please send Billing Inquiries...to": In your letter, give us the following information:

- Account Information:
 Your name and account number.
- <u>Dollar Amount:</u> The dollar amount of the suspected error.
- Description of Problem: If you think there is an error on your bill, describe what you believe is wrong and why you believe it is a mistake.

You must contact us within 60 days after the error appeared on your statement. You must notify us of any potential errors in writing (or electronically). You may call us, but if you do, we are not required to investigate any potential errors and you may have to pay the amount in question. While we investigate whether or not there has been an error, the following are true:

- We cannot try to collect the amount in question, or report you as delinquent on that amount.
- The charge in question may remain on your statement, and we may continue to charge you interest on that amount. But, if we determine that we made a mistake, you will not have to pay the amount in question or any interest or other fees related to that amount.
- While you do not have to pay the amount in question, you are responsible for the remainder of your balance.
- We can apply any unpaid amount against your credit limit.

Your Rights If You Are Dissatisfied With Your Credit Card Purchases

If you are dissatisfied with the goods or services that you have purchased with your credit card, and you have tried in good faith to correct the problem with the merchant, you may have the right not to pay the remaining amount due on the purchase. To use this right, all of the following must be true:

- The purchase must have been made in your home state or within 100 miles of your current mailing address, and the purchase price must have been more than \$50.
 (Note: Neither of these are necessary if your purchase was based on an advertisement we mailed to you, or if we own the company that sold you the goods or services.)
- 2. You must have used your credit card for the purchase. Purchases made with cash advances from an ATM or with a check that accesses your credit card account do not qualify.
- You must not yet have fully paid for the purchase.

If all of the criteria above are met and you are still dissatisfied with the purchase, contact us in writing (or electronically) at the address shown on the front of this billing statement following the phrase "Please send Billing Inquiries...to":

Interest Charge Calculation Methods (ICM) and Computation of Balance Subject to Interest Rate. The Interest Charge Calculation Method applicable to your account for Cash Advances and Credit Purchases of goods and services that you obtain through the use of your card is specified on the front side of this statement and explained below:

Method A - Average Daily Balance (including new transactions). The Interest Charge on purchases begins from the date the transaction is posted to your account, and the Interest Charge on cash advances begins from the date you obtained the cash advance, or the first day of the billing cycle in which it is posted to your account, whichever is later. There is no grace period.

The Interest Charges for a billing cycle are computed by applying the Periodic Rate to the "average daily balance" of your account. To get the average daily balance, we take the beginning balance of your account each day, add any new purchases or cash advances, and subtract any payments, credits, non-accruing fees and unpaid interest charges. This gives us the daily balance. Then we add up all the daily balances for the billing cycle and divide the total by the number of days in the billing cycle.

Method G - Average Daily Balance (including new transactions). To avoid incurring additional Interest Charges on the balance of purchases (and cash advances, if Method G is specified as applicable to cash advances) reflected on your monthly statement and, on any new purchases (and if applicable, cash advances) appearing on your next monthly statement, you must pay the entire "New Balance" in full, shown on your monthly statement, on or before the Payment Due Date.

The Interest Charges for a billing cycle are computed by applying the Periodic Rate to the "average daily balance" of purchases (and if applicable, cash advances). To get the average daily balance, we take the beginning balance of your account each day, add any new purchases or cash advances, and subtract any payments, credits, non-accruing fees, and unpaid interest charges. This gives us the daily balance. Then we add up all the daily balances for the billing cycle and divide the total by the number of days in the billing cycle. This gives us the average daily balance.

Payment Crediting and Credit Balance. Payments received by 5PM at the location specified on the front of the statement after the phrase "Please Mail Your Payment To." will be credited as of the date of receipt to the account specified on the payment coupon. Payments made in person during normal business hours at branch locations where such payments are accepted will be treated as received on the same day. Payments that do not conform to the requirements set forth on or with the periodic statement (e.g. missing payment stub, payment envelope other than as provided with your statement, multiple checks or multiple coupons in the same envelope) may be subject to delay in crediting, but shall be credited within five days of receipt. If there is a credit balance due on your account, you may request, in writing, a full refund. Submit your request to the address indicated on the front of this statement after the phrase "Please send Billing Inquiries and Correspondence to".

By sending your check, you are authorizing the use of the information on your check to make a one-time electronic debit from the account on which the check is drawn. This electronic debit, which may be posted to your account as early as the date your check is received, will be only for the amount of your check. The original check will be destroyed and we will retain the image in our records. If you have questions please call the customer service number on the front of this billing statement.

Closing Date. The closing date is the last day of the billing cycle; all transactions received after the closing date will appear on your next statement.

Annual Fee. If your account has been assessed an annual fee, you may avoid paying this annual fee by sending written notification of termination within 30 days following the mailing date of this bill, to the address listed on the front of this statement after the phrase "Please send Billing Inquiries and Correspondence to:" You may use your card(s) during this 30 day period but immediately thereafter must send your card(s), which you have cut in half to this same address.

Negative Credit Reports. You are hereby notified that a negative credit report reflecting on your credit record may be submitted to a credit reporting agency if you fail to fulfill the terms of your credit obligations.

BILLING RIGHTS SUMMARY

What To Do If You Think You Find A Mistake On Your Statement

If you think there is an error on your statement, write to us at the address shown on the front of this billing statement after the phrase "Please send Billing Inquiries...to": In your letter, give us the following information:

- Account Information:
 Your name and account number.
- <u>Dollar Amount:</u> The dollar amount of the suspected error.
- Description of Problem: If you think there is an error on your bill, describe what you believe is wrong and why you believe it is a mistake.

You must contact us within 60 days after the error appeared on your statement. You must notify us of any potential errors in writing (or electronically). You may call us, but if you do, we are not required to investigate any potential errors and you may have to pay the amount in question. While we investigate whether or not there has been an error, the following are true:

- We cannot try to collect the amount in question, or report you as delinquent on that amount.
- The charge in question may remain on your statement, and we may continue to charge you interest on that amount. But, if we determine that we made a mistake, you will not have to pay the amount in question or any interest or other fees related to that amount.
- While you do not have to pay the amount in question, you are responsible for the remainder of your balance.
- We can apply any unpaid amount against your credit limit.

Your Rights If You Are Dissatisfied With Your Credit Card Purchases

If you are dissatisfied with the goods or services that you have purchased with your credit card, and you have tried in good faith to correct the problem with the merchant, you may have the right not to pay the remaining amount due on the purchase. To use this right, all of the following must be true:

- The purchase must have been made in your home state or within 100 miles of your current mailing address, and the purchase price must have been more than \$50.
 (Note: Neither of these are necessary if your purchase was based on an advertisement we mailed to you, or if we own the company that sold you the goods or services.)
- 2. You must have used your credit card for the purchase. Purchases made with cash advances from an ATM or with a check that accesses your credit card account do not qualify.
- You must not yet have fully paid for the purchase.

If all of the criteria above are met and you are still dissatisfied with the purchase, contact us in writing (or electronically) at the address shown on the front of this billing statement following the phrase "Please send Billing Inquiries...to":

IMPORTANT INFORMATION

Interest Charge Calculation Methods (ICM) and Computation of Balance Subject to Interest Rate. The Interest Charge Calculation Method applicable to your account for Cash Advances and Credit Purchases of goods and services that you obtain through the use of your card is specified on the front side of this statement and explained below:

Method A - Average Daily Balance (including new transactions). The Interest Charge on purchases begins from the date the transaction is posted to your account, and the Interest Charge on cash advances begins from the date you obtained the cash advance, or the first day of the billing cycle in which it is posted to your account, whichever is later. There is no grace period.

The Interest Charges for a billing cycle are computed by applying the Periodic Rate to the "average daily balance" of your account. To get the average daily balance, we take the beginning balance of your account each day, add any new purchases or cash advances, and subtract any payments, credits, non-accruing fees and unpaid interest charges. This gives us the daily balance. Then we add up all the daily balances for the billing cycle and divide the total by the number of days in the billing cycle.

Method G - Average Daily Balance (including new transactions). To avoid incurring additional Interest Charges on the balance of purchases (and cash advances, if Method G is specified as applicable to cash advances) reflected on your monthly statement and, on any new purchases (and if applicable, cash advances) appearing on your next monthly statement, you must pay the entire "New Balance" in full, shown on your monthly statement, on or before the Payment Due Date.

We may accept checks marked "gayment in full" or with words of similar effect without losing any of our rights to collect the full balance of your account with us.

Periodic Rates — The periodic rates applicable to purchases, cash advances, and balance transfers are disclosed on the Disclosure that accompanies this agreement. Any penalty rate that may be imposed for falling to make a payment by the payment due date is also disclosed on the Disclosure. Any rate change will be made pursuant to applicable law, if the rate from

your account is variable, as indicated on the accompanying Dicclosure, the rate chapped on purthases, cash advances, balance transfers and any penelty rate will vary periodically as disclosed in the Disclosure accompanying this Agreement (unless indicated otherwise). The initial rate on your account for certain types of transactions may be an introductory discounted rate (introductory Rate) that is lower than the rate that would ordinarily apply for that type of transaction. If an introductory Rate applies to your account, the rates and the period of time it will be effective is shown on the Disclosure accompanying this Agreement. After the introductory Rate period expires, the periodic rate will automatically increase to the rates that would ordinarily apply for that type of transaction based on the terms of this agreement.

Finance charge — New purchases posted to your account during a billing cycle will not incur
a finance charge for that billing cycle if you had a zero or credit balance at the buglinning of
that billing cycle, or you paid the entire new balance on the previous cycles billing statement
by the payment due date of that statement; otherwise a finance charge will accrue from the
date a purchase is posted to your account. To avoid an additional finance charge on the balance
of purchases, you must pay the entire new balance on the billing statement by the payment
due date of that statement. A finance charge begins to accrue on cash advances from the date
you get the cash advance or from the first day of the billing cycle in which the cash advance is
posted to your account, whichever is later (transaction date).

The finance charge is calculated separately for purchases and cash advances. For purchases, the finance charge is computed by applying the periodic net to the average daily balance of purchases. To calculate the average daily balance of purchases, and subtract any new purchases, and subtract any payments and/or credits. This gives us the daily balance of purchases, which are also payments and/or credits. This gives us the daily balance of purchases. We then add all of the daily balances of purchases for the billing cycle together and divide the total by the number of days in the billing cycle. This gives us the average daily balance of purchases. Balance transfers are calculated in the same manner as purchases.

For cash advances, the finance charge is computed by applying the periodic rate of the average daily balance of cash advances, for cash advances, we take the beginning outstanding balance of cash advances each day, add in any new cash advances, and subtract any payments and/or credit that we apply to the cash advance balance. This gives us the daily balance of cash advances. We then add all of the daily balances of cash advances the titling cycle together and civide the total by the number of days in the billing cycle. This gives us the average gaily balance of cash advances.

Balance Transfer Transactions — We may in our sole discretion make balance transfer offers to you or allow balance transfer transactions on your account in the future. We may in our sole discretion permit you to transfer balances from other accounts or leans with other credit card sixues or other lenders to this account, or other balance transfers we may allow. If a portion of a requested balance transfer will exceed your available credit access line for balance transfers, we may process a partial balance transfer up to your available credit access line for balance transfers, we may process a partial balance transfer up to your available credit access line for balance transfers, who balance transfers will be processed for less than \$100 and we may in our sole discretion, limit any allowed balance transfers so that they do not exceed the lesser \$7,500 or 75% of your credit limit.

Fees — In addition to the periodic rate, the following additional fees may be imposed on your account. If applicable to your account, the fee amounts and explanations are disclosed on the Disclosure accompanying this agreement.
